

STATEMENT OF WORK

- Company will provide four (4) 8 cubic foot dumpsters and two (2) Construction dumpsters at desired locations of TRALOC property.
- The 8 cubic foot dumpsters provided must be self-contained with closable lids and doors. All dumpsters provided must be clean and in good condition. Dumpsters should not be visually offensive.
- Company will be located within a 50 mile radius of and have approved access to FCMTC.
- Company will be capable of emptying each dumpster at a rate of once weekly and transport waste to a sanitary landfill of their choice. Trucks may enter through FCMTC Gate 4, between the hours of 8:00 am and 3:30pm, Monday through Friday. In the event of Gate 4 being closed, driver will need to proceed to FCMTC Gate 1 for entry.
- Trucks while traveling on FCMTC must insure that waste is contained and/or covered at all times to prevent littering of base. In the event of a loss of waste on FCMTC, driver will insure that all waste is cleaned up and removed from area. Driver will also notify base MP Station of such incident and have the area inspected before leaving site, as well as a representative of TRALOC..
- Points of Contact for TRALOC Site are Rich Rudder, Jamie Narramore, or Lynn Pincumbe. They can be reached at 479-709-5300 ext. 5306
